

THE ABYSSINIAN PRINCE #350

July 24, 2014

Jim Burgess, 664 Smith Street, Providence, RI 02908-4327 USA, (401)351-0287, jfburgess of gmail.com

E-MAIL/WEB ONLY ISSUE! PDF will be available on the website. We also are being reproduced in *Eternal Sunshine*.

Web Page Address: <http://www.diplom.org/DipPouch/Postal/Zines/TAP/index.html>

We continue with Kendo Nagasaki, join ANY time, just send me a guess!!!

This issue continues the szine/subszine inversion. As most of you know, this thing began as a "subszine" to Terry Tallman's *North Sealth, West George*, then became its own szine with a host of subszines. The subszines remaining will appear as sub-subszines to our new flipfopped home in Doug Kent's *Eternal Sunshine*. Doug's incessant nagging is not keeping us on schedule, but will make it so we keep going. I'd like to keep writing and doing some game GMing (note that has been expanding). I'm set on the GMing, and I'm starting to write a bit, hope there might be more. Let's get the new Diplomacy game going. Since Doug may be winding down, I may have to flip that back around again and be the centerpiece for all the subszines, we'll see.

For production, in addition to the HTML's of each separate product on the web page, I will also have a PDF that you can print of the entire subszine (including my famous handdrawn maps!). You can just print the maps if you like, but remember maps are for pikers anyway, you don't need no steenkin' maps, keep them up in your head where they belong.

General information about the mailing list is at: <http://www.diplom.org/mailman/listinfo/tap> You can sign up from there, or send E-Mails to: Tap-request of diplom.org; with the word 'help' in the subject or body (don't include the quotes), and you will get back a message with instructions. You must know your password to change your options (including changing the password, itself) or to unsubscribe.

THE ABYSSINIAN PRINCE FEATURES SECTION (CONS/LETTERS/MUSIC)

((For upcoming cons around the world: <http://devel.diplom.org/Face/cons/index.php>, but note that some of the Americans have stopped posting the tournaments there. Shame, shame, shame... The Chicago hobby continues on its active track: they had a great CODCon and Weasel Moot is coming up NOW on July 26th and 27th. Although we know that Carnage in Vermont will end off the Nor'Easter sequence of events the first weekend in November, the rest of the year in the Northeast is clarifying slowly. Carnage talk is all about, if you're interested in going, now is the time to make arrangements. Rob Premus hasn't said anything about his tournament though. But expect updates in this space... Tempest will be coming up on Columbus Day weekend as usual too. I think most of you have seen it, but David Hill's article on being smoked at World DipCon (see: <http://grantland.com/features/diplomacy-the-board-game-of-the-alpha-nerds/>) has been generating lots of commentary. Also, I will be running TempleCon again, February 6-8, 2015, here in Providence. More on that below.))

NEW FEATURE: ROCK AND ROLL BANDS AND MOMENTS THAT MATTER

((If anyone from TAP or ES has ideas for more things to talk about here let me know. I do have five or six ideas lined up here already that I just have to write. The Ossipee Valley Bluegrass Festival is coming up this weekend, and is a couple of miles west of my Maine lake camp, <http://www.ossipeevalley.com/> and the lineup is looking great for that. More on that next issue too.))

DIPLOMACY WORLD CUP TOURNAMENT IS ONGOING – YOU CAN STILL JOIN!

This is the latest incarnation of this team based tournament. I am helping to lead the Nor'Easter team for people in the Northeast part of the United States. <https://www.facebook.com/groups/123795024327261/> is the Facebook page for the event.

And you can sign up for the Tournament at: <http://aqmn.asciiking.com/>. Other US regional teams are the ones in the Pacific, Dixie, and Chicago. Its unique aspect, that continues to be distorting, but in interesting ways, is its “solo only” feature. You advance from the preliminaries to the finals only by soloing, and then need solos in the finals against the other soloists. Though this started last January, it probably will be going on for at least another year, and there is PLENTY of time to jump in. As usual, for those who know me well, I screwed up my first game and allowed a solo to someone from team US. And then I could have soloed the second game, but well, I can’t exactly say how I did it, but the Canadian player soloed there, with help from me. I still don’t have a solo in over three decades, and now I’m waiting for my next game to start, you can join and get more games going!!! You can easily throw games, and in this format you can do it. I wonder why people like to drop the levels of the game in this way. It fascinates me. But in the finals of this tournament, it shouldn’t happen, should it? The rules for the finals have been tweaked and the finals SHOULD start in September. But you still can join the qualifiers, openings are there now!!!

THE ABYSSINIAN PRINCE GAMES SECTION

I am continuing to note cut or failed support orders with a small “s” instead of a capital “S”. This will make it easier on the E-Mailed version of the szine to see what happened, since the italics don’t show there. The italics DO show on the web page just fine. Since I’m not postal mailing the szine any more, I’ve dropped back to just reporting the disguised E-Mail addresses. As someone notes, if you need some more contact information, go back to past issues or ask me.

Standby lists:

Dick Martin, Brad Wilson, Jack McHugh, Steve Emmert, Vince Lutterbie, Paul Rauterberg, Doug Kent, Heath Gardner, Paul Kenny, and Hugh Polley stand by for regular Diplomacy. I’ve pared down the standby list according to who I’m actually in touch with. If I removed you and you want to be added back, just say so. Otherwise, just let me know if you want on or off these lists, especially OFF given the new policies.

GAME OPENING INFORMATION

I’m going to start the game opening list over. Under the new regime, who wants to play what?

DIPLOMACY: I would love to run Spy Diplomacy again some time, any interest in that? Something else?? Another Regular Diplomacy game? I would like to start one that at least informally is a memorial to Don.

SPY DIPLOMACY: Heath Gardner (not sure if that is still active), need at least six more.

REGULAR DIPLOMACY: need seven, I really want to restart from the game that we had to stop.

Game Notes:

1) The DIAS game ending proposal failed and is repropoed. Send all good thoughts to Heath Gardner, who has just been having a terrible time on all fronts. He did decide he has to drop this game, and I've asked Doug Kent to step in. He agreed. I have orders and votes on file for everyone except Russia. You can change either orders or votes. If you fail to vote on the DIAS, it is rejected.

Game Notes:

1) The rules are on the *TAP* website in the *Tinamou* section. Ask if you have any questions. Rules at: <http://devel.diplom.org/DipPouch/Postal/Zines/TAP/Tinamou/rules/BreakingAway.htm>

Up above in parentheses is the card you played to get to where you are in the field. The replenishment card is the last card in your list. Be careful to note that the card you played (the one in parentheses) is not available for you, for next turn. Just for fun, I keep track of total replenishment, by turn, which is a rough measure of how the teams are doing. Of course, it is lining up to get across the sprint (40/80) and final (120) lines in the right places that really counts. We can calculate an "efficiency score" later, which will be

the ratio of scoring points per replenishment. If I'm predicting how the future of this will come out based on doing this before, about half the players will get scores below 5% and getting better than a 10% score will be really tremendous for this measure.

2) Wow, no one replenished above a total of 17, and two of you had the minimum replenishment of 12. When will the pack reform, or will it? Remember that the next Sprint Line is at 80 (getting to 81 to score).

Press:

(BOOB to RIDERS): But no press...

WHERE IN THE WORLD IS KENDO NAGASAKI

THE DUE DATE FOR TURN 7 IS AUGUST 16, 2014!!

Kendo Nagasaki games in *Eternal Sunshine* continue to multiply like weeds... I'd like to get more people engaged here, not just the usual suspects from Doug's games. The full rules for Where in the World is Kendo Nagasaki are in: <http://www.whiningkentpigs.com/DW/es58.pdf>. The player who was closest for Turn 6 has been notified by E-Mail. Note that the official rules say you're supposed to get this by TURN 10, time to get a bit closer on WHO Kendo is. My clue this time is supposed to push you back closer to figuring out who it really is. I thought I was saying too much in my clues, but maybe I'm not saying enough. I will be surprised if we don't get closer now.

LAST WORD: OK, so the last word is some more on details for TempleCon 2015, which as noted will be February 6-8, again the weekend AFTER the Super Bowl, for people who care about that. I still want to build TempleCon up to bid for a North American DipCon sometime, but even I fully admit that Christian Pedone’s July 4th Philly Massacres are blowing me out of the water. I really liked Christian’s Team Fantasy event that he ran in conjunction with Philly Massacre, though I really didn’t like the scoring model. So if I get enough pre-registration for TempleCon, I’m going to do my own event, with different rules. To me, the key is picking the winner, not scoring the most points, and I don’t think you quite need to do the draft the way Christian did it, so I have some ideas about some major differences. More about that if enough people sign up for coming to make it worthwhile.

TempleCon has always been an event that brings new people into the FTF hobby, we had some new players last year, who I think I’ll be able to entice back. I also know that the “hotel rooms” issue has been important to people. **ATTENTION: IF** you want an on-site hotel room, the block is opening up **THIS** Monday, July 28th. The general site is <http://www.templecon.org/15/> and the Hotel Room URL is:

http://www.templecon.org/15/index.php?option=com_content&view=article&id=89&Itemid=111

The Crowne Plaza near the airport (for **REAL** easy fly-in/fly-out) is again the venue, and I’m going to try to book two rooms on Monday myself to rent out as usual at pay-what-you-can rates. You can call the Crowne Plaza, Warwick, RI at: 1-877-2-CROWNE (1-877-227-6963) and TMP is the Group Rate code, or you can book on-line at:

<http://www.ihg.com/crowneplaza/hotels/us/en/reservation>

and make sure you enter that TMP Corporate Group code to get the TempleCon rate. As before there also will be rooms at the nearby Holiday Inn Express where I’ve been getting rooms in recent years for being late. But this year I plan to get some Crowne Plaza rooms.

The Facebook page is: <https://www.facebook.com/TempleCon> where you can get a good sense of the Retro-Futurist backdrop for the con, which is a lot of fun. I really like the people who run TempleCon and they make it ridiculously easy for me to do my part of the Convention. We also can only hope that the divine Maxine from Western Cranston will be waitressing in the bar again.

What about the tournament itself? We continue to use the modified Detour scoring system, originally developed in New Zealand and adapted by various other people with Down Under roots. This is also the first tournament in the regional sub-Grand Prix tournament that is in its seventh year that we’ve dubbed the “Nor’Easter”. We also continue to use Drop Dead Time Deadlines and these continue to work like a charm. This is the way to play tournament dip, you’re always moving, no waiting around while people write orders. The games really move along, I am an engaged Tournament Director with my loud voice with reminders to people as needed, and people respect other players’ space with need for order writing time. We also will be going again with the 17 minute spring, 15 minute fall continually running clock that gives more time for beer after the games.

Please start letting me know you’re interested in coming now, once I get some rooms set, I’ll take reservations for the spots (up to four in a room possible) and making the announcement earlier will help YOU get your own rooms if you want. See you in February!
