## September, 2005

Welcome to Tinamou #58, produced by Dave Partridge, **15 Woodland Drive, Brookline NH, 03033** (email: [rebhuhn@rocketmail.com](mailto:rebhuhn@rocketmail.com)). Tinamou now appears on the web in conjunction with TAP. The web page has everything you'll find here including maps. Go to Jim's index page <http://www.diplom.org/DipPouch/Postal/Zines/TAP> and check it out, your comments and suggestions are welcome!

## Deadline for all games: Mon, October 22

**Gunboat with press:** Five signed up so far.

**Perestroika Diplomacy:** Add an economic twist to the classic game. Centers generate revenue, armies and fleets must be maintained, and treasuries can be sacked! Rules are available on request.

Signed up: Art Schleinkofer, Harold Reynolds, Karl Schmit, Graham Wilson

### Standard Diplomacy:

Game Opening: Standard Diplomacy

Signed up:

**Just the results please:** Don't really know what to call this one as I just came up with it. Perhaps it's been tried before. The twist for this variant is that each season only the ending unit positions are published, not the orders. You'll know who went where, but not who helped whom, or what may have been tried unsuccessfully.

Signed up: Doug Kent, Graham Wilson, Art Schleinkofer

### Industrial Waste:

A new game for 3-4 players. Manage your factory and build your products, but beware, increased production means more waste, and if you aren't careful you'll find that working in a sludge pit affects your productivity and the bottom line.

### Game Opening:

### Railway Rivals: Anyone have a favorite map they want?

Brendan has volunteered his REVISED Victoria map.

Signed up: Brendan Whyte, Brad Martin, Richard Weiss, Andrew Glynn

Richard has suggested some possible maps:

- 1) Eric Brosius's adaption of David Watts' map of New York and PA (5 starting spaces);
- 2) Eric's Poland (Probably 4, all start in one place, may not be good for by mail unless first turn had no costs for building on the same spaces);
- 3) David's Iowa (there are ten starting points, no specified starting number that I see)
- 4) David's New York and Chicago (7 starting places, 2 can start per spot, no specific # of players); or,
- 5) David's Illinois (3-8 players).

Two maps from Dampfross – Ireland and Russia seem appealing as well.

If any of these are appealing to anyone let me know. I just need someone to send me a map.

**Transcontinental USA:** Eric Brosius's variant. Now that we've play tested it once we'll try again with a few modifications to reduce the east coast congestion a bit.

Signed up: Eric Brosius, Conrad von Metzke, Mike Barno, Brendan Whyte, Andrew Glynn, Richard Weiss (Will start when Perdu winds down.)

**Outpost:** Sign up for the next game to start when the current one finishes

**Snowball fighting:** Current game is over. Anyone interested in another go? 4 signed up so far, **Need a few more.**

**Golden Strider:** It is to running what Breaking Away is to bike riding. See Tom's szine off-the-shelf at <http://www.olympus.net/personal/thowell/o-t-s/index.html> for some games in progress.

Signed up: Tom Howell, Dennis Menear

**Catan: Settlers or Seafarers, player choice:** Signed up: Brad Martin, Al Tabor, Andrew Glynn

**Sopwith:** Snoopy just started. I'll start taking names now for the next game if anyone's interested.  
Brendan Whyte

**Reader's Choice:** I'm open to anything, just send me the rules and if I think I can run it, I'll offer it.

## Fantasy Football

### Weekly Winner Pick:

Week	Warren Goesle	Rick Desper	Karl Schmit	Jack Sinnott	Karl Muller	Dave Partridge	Harold Reynolds
1	<i>MIN</i>	<b>PIT</b>	<b>BUF</b>	<i>OAK</i>	<b>PIT</b>	<b>PIT</b>	<b>PIT</b>
2	<b>PHI</b>	<i>DAL</i>	<b>PHI</b>	<b>NYG</b>	<b>NYJ</b>	<i>DAL</i>	<b>PHI</b>

Jack and Goz are eliminated from the survivor pool in week one. We'll keep tracking their picks for the rest of the year though to see who's the most accurate across the whole season. In a wacky game in a wacky season so far, Rick and Dave are out as well as Washington comes from behind in the final minutes to pull out a win.

### Simple Fantasy Football:

#### Team choices:

Dave: NE, IND, KC, PHI, CAR, PIT, MIN, SD, DEN, ATL, SEA, STL, OAK, JAX, NYJ, BAL, TEN

Goz: Ind, Atl, NE, Car, Phi, Min, Pit, KC, Bal, Buf, SD, NYJ, Dal Jax, Sea, GB, Arz, Cin, Stl, Den, NYG, Oak, Hou, TB, Det

Jack: Pit, Dal, NYJ, SD, Oak, Bal, STL, NO

Karl S. PHI, NE, PIT, IND, MIN, ATL, STL, BAL, SD, KC, NYJ, CAR, BUF, SEA, DEN, CIN, JAX, DAL, CHI

Harold: NE, PIT, PHI, ATL, IND, SEA, BAL, NYJ, DEN, BUF, KC, GB, TEN, MIA, SD, JAX, STL, TB, MIN, CAR, CIN, NO,

Rick: IND, PHI, NE, ATL,PIT, NYJ, SD, CAR, JAX, BUF, MIN, DAL, GB, BAL, CIN, DEN, KC, NYG, WAS

Draft Round 1:

Three runoffs, Dave wins NE against Harold, Karl S wins Phi againsts Karl M and Rick wins IND against Goz. Karl M gets his next open pick of MIN. Goz and Harold both come down to ATL, which GOZ wins. Harold then picks up SEA.

Draft Round 2:

Only one runoff, Harold and Karl M. both want BAL. Harold gets it by dint of having lost two runoffs while Karl had only lost 1. Karl then gets SD.

Draft Round 3:

Three runoffs again. Harold gets DEN over Dave as he's now t 2 losses and one win vs Dave's 1 win. Goz gets BUF over Karl S as Goz has one loss and one win vs Karl's one win. Karl M gets JAX over Rick with two losses vs one win. Everyone then gets a clear pick.

## Carrier Pigeon (2003E), Standard Diplomacy, Fall 1906 Postal negotiations only

Multiple requests for a separation of seasons. Could this be a sign that further cooperation is in the cards? Turkish borders are suddenly free of foreign troops and the west becomes an armed camp.

**Press:**

MIKE B: "One of these Swedish kings was Ragnvald, who in 1125 was riding with his retinue in order to be accepted as king by the Geats of Westrogothia. As he despised the Geats, he decided not to demand hostages from their prominent clans. He was slain near Falköping and his decision rendered him the name Ragnvald the Fool."

Tom to all: I'd write more but I've got concrete to organize!

GM to Tom: We certainly wouldn't want you to end up with chaotic concrete!

(The Dude): Like, I hope someone didn't play a one or else it's just a big bummer, man.

GM – Dude: Like, it's the biggest bummer ever man!

Miracle Max -> the coaches: Rick Pitino! Pshaw!

(Louie Carnesecca to BOOB): Am I really going to have to come back from retirement??? That was pretty lame the way you tried to talk to the other competitors. See where it got us? That's it, I'm going to be MORE than a windowdressing coach!!

(Louie to Ricky): OK, Rick, here's the new plan....  
WHISSPER,  
whisper, whisper.

(BASKETBALL to NASCAR): What's with using dead guys, are these ALL dead guys?? I'm not going to win, I've totally screwed up this first turn.

GM – Basketball: Do tell how you're any worse off than anyone else?

(BOOB to MAX): What's with all these long names, how are we supposed to read the results??? I'm just going to make a sandwich, mutton may be tough, but at least it's lamb.

DALE "THE INTIMIDATOR" EARNHARDT: I know how to get to the front in a hurry. Get outta my way or I'll move you outta my way.

JIMMY "MR. EXCITEMENT" SPENCER: Whatthehell, racers all the way across the track in front of me and on both sides? Guess I'll have to blast my way clear next turn.

GEOFF BODINE: [No comment except:] \*THUMP!!\*

TONY "SMOKE" STEWART: I want to climb the fence at Tinamou Speedway! I did it after my three recent victories and I want to win this race too! I'm not gonna let anything stop me!

**Accident!** The accident card was drawn, so all cards will be reshuffled before the next deal. Brad wins our polluter of the month award. As he is in the red zone, he is subject to a \$10M fine and the movement of his factory back to 14. Assuming that he has kept his Bribery for just this purpose and will pay the \$1M to play it, his factory will not move back. He is still liable for the fine. I've scored it this way, and will adjust it if Brad decides not to play his Bribery.

**The end is near!** The grand experiment comes to an end as we have one more round of races and that's it. And yes, it would have been nice if I'd warned you all that this was coming, but it's been a while since I read the rules as well and the minor savings some might have made by not spending on builds would not have affected the outcome. Next round, please send in any and all suggestions for changes. I'll publish them along with suggestions already received and we'll work out the rules for a new game.

Eric noted that there is a river separating Mackinaw city and G39 that I didn't charge for, but that's because I couldn't see it on my online map and neither could Mike, so we'll let it slide.
