TINAMOU 64

So, people are innocent until proven powerless? *BBC commentator Owen Bennett-Jones during a piece on the Rwanda genocide.*

Logic is a wonderful thing but it doesn't always beat actual thought.   *Terry Pratchett*

You're about as subtle as artillery. *Jimmy Buffet, "Who Are We Trying to Fool?", Don't Stop The Carnival*

Dec, 2006

While I generally like the cold weather better than warm, I'm not really fond of November and early December. The biggest reason for this is that it's hunting season. I don't begrudge people the right to go out and get their own food, even if it's once a year and more a sport than survival, my problem is that I just don't trust most of them. As a wise man once said, always remember that half the people are less smart than the average! Do you really want to be out in the woods with those people wandering around with guns looking to shoot a large animal? So, for most of late fall I stay out of the woods and keep my family out of it. Disappointing for someone who really prefers to spend time out with nature.

Occassionally I do get a chuckle out of the whole situation though. This year it came as I was taking a bike ride with my son (trusting that no one would shoot at the road!). Along the way we passed several different groups of hunters gearing up to head into the woods, and, invariably, the majority of the hunters were wearing their camouflage gear. And, equally invariably, they were all putting on bright orange vests. Just because you're wearing clothing to make you blend into your surroundings, you wouldn't want someone not to see you!!

Deadline for all games: Mon, January 22 2007

Gunboat with press: Five signed up so far.

NEED JUST ONE MORE!
Perestroika Diplomacy: Add an economic twist to the classic game. Centers generate revenue, armies and fleets must be maintained, and treasuries can be sacked! Rules are available on request.
Signed up: Art Schleinkofer, Harold Reynolds, Karl Schmit, Graham Wilson, Sean O'Donnell, Larry Cronin

Standard Diplomacy:
Game Opening: Standard Diplomacy

Signed up: Sean O'Donnell, Brendan Whyte

Just the results please: Don't really know what to call this one as I just came up with it. Perhaps it's been tried before. The twist for this variant is that each season only the ending unit positions are published, not the orders. You'll know who went where, but not who helped whom, or want may have been tried unsuccessfully.
Signed up: Doug Kent, Graham Wilson, Art Schleinkofer

Industrial Waste:
A new game for 3-4 players. Manager your factory and build your products, but beware, increased production means more waste, and if you aren't careful you'll find that working in a sludge pit affects your productivity and the bottom line.
Game Opening: Eric Brosius, Graham Wilson

Railway Rivals: Anyone have a favorite map they want?

GAME START: Bambusicola
Brendan Whyte's Tokyo and the Kanto Plain Map:
Andrew Glynn, Peter Robbins, Jim Tretick, Brendan Whyte, Michael Pargman, Brad Martin. Send my your start preferences, color preferences and company name soonest.

.Breaking Away: Keep Pedalin' Orville:

Buttercup still leads, but how long can that last? Tom and Jim are still joined at the hip. Empty spots at 46 and 43 keep the replacement cards low, with 7 being the highest. WOOL wins the dubious honor of losing the most pedal power, trading in 47 in cards for a replacement of only 20.

Press:

Anonymous: Could Jim-Bob win this one? Or is it going to be Howell again? I think the rest of us are just there to be drafted. Just like 19-year olds in the 60s.

Brick to Pitino: Sure, sure, tell us about your speed. Speed helps, but are you quick?

Pitino to Brick: Again? Again?? You'll probably play your 15 with me yet again using the same logic. No one can sit on 43, so it would have been useless to play our 8's, but maybe you'll play your 22 to go out with Ore? I hope so!!!

Brick to Pitino: Should we ask Dave how the scoring goes when we both cross the finish line together with the same moves all the way through?

Dave to B/P: Obviously you cancel each other out and I award the points to the next rider to cross the line.

Tom to Jim: Did you do it?

GM – Tom: That all depends on what your definition of it is!

Ore to Boeheim: Um. No. Last time I had anything to do with basketball was in first period PE my first semester in high school. After that it was either track or cross country. Er,... for anything serious, that is. There was a swimming class I had to take because I never could find my way to the test to show 'em I actually could; and a sailing class for fun; and a judo class - I'm still not exactly sure why I did that. <G>

Louie C. to Jimmy S.: You have TWO of those 8's. Play just one and slot in at 48 where you belong to give me some replenishment.

GM – Louie: That's some good mojo you've got there!

Big East to World: Next issue we'll give you my Big East Basketball Preview. Best of wishes to those Duquesne basketball players who were shot. Terrible shame, hope they all recover and play!!!

Boeheim to Ore: Good, good, you're not following me any more, but you had better not play your 6 and end up on MY square again! Play your 16 and get out in front where you belong. We'll catch up soon enough.

GM – Boeheim: Uh, hate to say this, but look over there to your right. Yeah, the guy covered in rock dust, that's the one.

Buttercup plays her 3 and waits for the boys to catch up.

Westley says "Just a moment, dearest" and plays his 9, hoping to catch a crowd.

Inigo pats Fezzik on his back and says "Follow me", playing his 5.

Fezzik tiptoes forward behind Inigo. "I think I'm too big to hide behind you" he says, and plays his 3.

Golden Spike: Transcontinental V2 Round 3

Note: According to the rules, a West Coast city may not be built until round 11. When built, track built from that city will cost double until it is connected to the east (it's more expensive to ship supplies around Cape Horn). Therefore I'm taking I-70s city back off the board and not building the city that was ordered in this rounds builds. However, the reason for the changes that we made to the rules was to spread out the building patterns, and I think building in the west is consistent with that, therefore, starting next round, I will allow players to build West Coast cities. This will allow all players to start on an equal footing. Remember that building track from the West Coast will coast double until the city is connected to the east. I applaud Richard's sense of fair play as he voted to disallow the build that he had already made as an unfair advantage.

Kypinka (RR1993UA) Ukraine – Round 12

Round 12 race results:

Race 36: (12)Lviv - (46)Nikopol
UKR starts strong, C&O pulls even in the middle and they finish in lock step

UKR (26)	15[-2 RUS]	**13**
C&O (24)	15[-2 RUS]	**13**
RUS	0[+2 UKR][+2 C&O]	**4**

Race 37: (22)Zhytomyr - (52)Torez
Mountains don't slow him down that much!

TSR (19+1M)	20[-1 UKR]	**19**
OBAMA (23)	10	**10**
UKR (23)	0[+1 TSR][+2 RUS]	**3**
RUS (24)	0[-2 UKR]	**-2**

Race 38: (31)Bilatserkva - (63)Kremenchuk
Not surprisingly all finished the run with 3 rolls, but TSR and RUS were more finished than OBAMA (<:

TSR (9)	20[-1 OBAMA][+6 OBAMA]	**25**
RUS (10)	10[-1 C&O][-2 OBAMA]	**7**
OBAMA (9)	0[-6 TSR][-2 UKR][+1 TSR][+2 RUS]	**-5**
C&O	0[+1 RUS]	**1**
UKR	0[+2 OBAMA]	**2**

Race 39: (45)Zaporizhzhya - (X1)Russia

And again, 3 rolls to finish but UKR pulls the upset as he blasts right through the border and deep into Russia!
Everyone else shows excellent control and stops just as they cross the border

UKR (11)	20[-3 OBAMA][+3 TSR][+1 RUS]	**21**
RUS (9)	3[-1 UKR][-2 OBAMA]	**0**
OBAMA(9)	3[+1 TSR][+3 UKR][+2 RUS]	**9**
TSR (10)	3[-1 OBAMA][-3 UKR]	**-1**

Race 40: (51)Donetsk - (16)Lutsk
OBAMA gets the consistency award, too bad they were all 2s!

C&O (28)	20[-4 RUS]	**16**
RUS (32)	10[-1 OBAMA][+4 C&O]	**13**
OBAMA(28)	0[+2 UKR][+1 RUS]	**3**
UKR (30)	0[-2 OBAMA]	**-2**

Race 41: (61) Chernihiv - (23)Vinnytsya
If there were an award for precision routes TSR would get it, but here we aware reckless abandon.

C&O (10)	20	**20**
TSR (10)	10	**10**

Race 42: (X4) Hungary/Slovakia - (34)Odesa
Last run of the game, and …. Sorry sports fans, but no upsets here.

C&O (23)	20[-1 RUS][+2 UKR]	**21**
UKR (28)	10[-2 C&O]	**8**
RUS	0[+1 C&O]	**1**

So, OBAMA doesn't have a great finish, but his lead is big enough that he hangs on for the win. Andrew has a very respectable second and then things tail off a bit. Quite a wide range in this one. Conrad started the game off in the other direction from everyone else and it seems to have paid off this time. Anyone who wants to send in an end game statement for next issue is welcome to. Thank you all for playing.
